

ANNEXURE V**ASSESSMENT REPORT BY RITES/MSME**

1	Name of the unit			
2	Address			
3	Total Production/Manufacturing capacity per month	Item	Quantity	
4	Present Utilization of production/ manufacturing capacity by unit p.m.	Item	Quantity	
5	Whether item manufactured requires coal in manufacturing process.			
6	Whether coal is used as raw material or fuel.			
7	If used as Raw material then quantity required p.m. and also specify the grade of coal in use.			
8	If used as raw Material then quantity required per month.			
9	If used as fuel, number of boiler / furnace installed			
10	Capacity of boiler / furnace installed.			
11	Whether boiler / furnace is coal Fired / oil fired/ electrical furnace, please specify. If using electricity, load sanctioned & present consumption.			
12	If electricity is used by unit then load sanctioned & present Consumption.			
13	Consumption of coal as fuel for boiler / furnace p.m. in M/Ts.			
14	In case boiler is not coal – fired then whether coal can be used for firing boiler in present conditions.			
15	Temperature required in manufacturing process for product manufactured.			
16	Turnover in last three years	(Rs. In Lakh)		
17	Production details for last three years for manufacturing products only , where coal is used.	2013-14	2014-15	2015-16
18	Requirement of coal in M/T. per unit if item produced / manufactured.			
19	Grade of coal and quantity recommended per month.			
20	Remarks of inspecting authority
